Rebate Total: _____

Customer Signature: _____ Date: _____

Rebate request must be received no later than 6 months from the date of purchase. Only new natural gas appliances are eligible for the rebate program. Rebate will not exceed the amount paid for the appliance. Proof of purchase with customer name and the cost of appliance is required with this rebate request. The rebate will be processed the month following the submission of all required documentation and inspection of appliance by Fultondale Gas service personnel. Appliance should be installed by a licensed plumber or contractor in compliance with applicable building codes. Customer releases Fultondale Gas from liability with installation and operation of this equipment.
